

V2 LEADERSHIP GROUP, INC

Teambuilding for Success

Overview

The program is designed to help managers create an environment of collaboration and innovation. Through the use of the V2 Collaboration Model, participants will learn the steps for creating a successful, motivated team. *Teambuilding for Success* identifies clear, actionable processes to gain cooperation and improve teamwork across all organizational lines. The program provides participants with skills to break down silos and focus time and energy on collaboratively reaching and surpassing organizational goals.

Who should attend the program?

- Managers who want to create a culture of teamwork and cooperation.
- Anyone who wants to take their team or organization to the next level of success through strategic networking and collaboration.
